

HOMEROOM

Before and after school childcare supervision is available for **\$5.00** per child per hour. All students are enrolled in this program for use as it is needed. Students arriving before 8:00 a.m. and those at school at 3:25 p.m. will be automatically checked into the supervised care program so no child is left unsupervised while on school grounds.

RETURNED CHECKS

Returned checks will be assessed a \$25 fee, and a second attempt to deposit will not be made. ACH payments refused by the bank will be assessed a \$25 fee. A second check with insufficient funds within the same school year will mean that the school will no longer accept checks; for the balance of that school year, all payments will have to be made with cash or certified funds.

LATE TUITION PAYMENT FEE

Payments not received by the date due are considered delinquent, however if payment is not received by the 10th day after your selected due date will have a \$15 late fee added to your next tuition invoice.

PARTIAL YEAR ENROLLMENT

Tuition charged for enrollment after the first day of school will be prorated based on the portion of the school year remaining. Payment must be made in advance or on a monthly basis through FACTS. All payment plans end in May.

TECHNOLOGY FEE

For 6-8th grades, there is an additional \$25 technology fee that will be added to your enrollment invoice.
