

Contact Info Form

For Reschedules and to Stay in Touch!

Sometimes it is helpful for me to be able to talk with you about how piano lessons are going. When students, teachers, parents, and anyone else involved are all clear as to what is expected and on the same page, the lessons are generally much more successful. Nothing replaces the positive involvement of parents and/or guardians. For this reason and for others, flyers and other reminders for recitals and events, I am asking for your complete contact info. (You can also email me this info,)
